

## MISSION

**Sleepyhead Beds** improves the quality of life for children and their families by providing clean, repurposed beds and bedding. We contribute to the health and environment of our community by sanitizing beds and keeping them out of landfills. Since our 2011 founding, we've provided over 20,000 beds to local Kansas City kids and their immediate families.

### BINGO AND BOULEVARD FOR BEDS

Our primary fundraiser each year is a fun, interactive event for adults which features great food, 8 exciting rounds of Bingo with great prizes, and adult beverages (beer & wine) provided by Boulevard! Donations and contributions collected from this event support the organization's largest initiative, our bed distribution program.

### HOW YOU CAN HELP!

We offer a variety of ways to participate in the event, from sponsorships to VIP tables to ticket purchases. We also need prizes for our Bingo rounds and auctions! We have 8 rounds of BINGO, each with a spectacular prize package. We would love to have you consider donating to help us create one of this year's packages!
